**Boys & Girls Clubs of Thurston County Sliding Scale Threshold
Based on HUD Income Guidelines for Thurston County**

On the table below, locate family size column and then identify the income level that matches family income. For example, a family of two earning less than \$41,000 gross annually will qualify for an 80% scholarship and a family of two earning less than \$65,600 gross annually will qualify for a 40% scholarship. If a family of two earns more than \$64,600 gross annually, they do not qualify for a scholarship; however, they are eligible to register for a payment plan.

SCH %	Household Size							
	1	2	3	4	5	6	7	8
80%	35,900	41,000	46,150	51,250	55,350	59,450	63,550	67,650
40%	57,400	65,600	73,800	82,000	88,600	95,150	101,700	108,250

Note: If approved for a scholarship, all fees are adjusted according to the scholarship amount awarded. Membership must be paid in full unless your family is experiencing homelessness.
